

Hunt Comfort Climb-On Testimonials

“The Hunt Comfort Climb-On is the best creature comfort for serious hunters to come along in a long time. ...Cushioning is what the pad is all about. This cushion is so comfortable, you won’t be shifting your weight from cheek to cheek and you will not have an excuse not to stay in your stand a little longer. It is what a lot of outdoor people were waiting for.”

Jon Ziegler, Champin, MN

“Works well and seems to perform as well or better than anything else I’ve tried before.”

Jonathan Wagner, Lower Burrel, Pa

“This cushion is awesome. I used it in a tree stand, a John boat, and at a basketball game. No pressure points or numbness. Awesome.”

Marshal Dillon, Port Orange, FL

“It is very comfortable. It is very versatile to use from fishing to hunting.”

Doug Flouro, Oshkosh, WI

“It is very comfortable, light, and handy. Sure made turkey hunting a lot easier on the backside.”

Carl Docka, Amherst, WI

“I have used various products for my tree stand seat. Some work OK, but nothing works as well as Hunt Comfort’s Climb-On cushion. I could not believe how nice it was, within a few days the temp into the 20’s with 15 inches of snow, the cushion stayed pliable, quite, and comfortable. I have no doubt about it, it is the best.”
