

FC-1 Snap Adapter and *Do-Lolly*

Hunt Comfort's patent pending FC-1 Snap Adapter is designed as a connection system that fits your needs. We have used this system for adapting to vests, chairs, trees, stands, belts and Alice packs. Do-Lolly's are a popular add-on feature for attaching our Climb-On series seating to tree stands - or a good idea you might have.

Folding Classic. FC-1's attach back cushion with seat. Fast setups and easily fit to portable chairs.

Fasteners form loops. Easy to attach with rope.

Do-Lolly

Perfect answer for Lock-Ons and Nets.
