Best Cushion Ever, June 30, 2007

By TrevorkY from KY

"Best cushion i have ever sat on. i actually recieved one in the mail to field test, and man was i surprised with the results. ive since sewed on little clips on the side, so it can be used as a replacement on my turkey vest. I use it for everything from fishing to duck, deer, TURKEY, coyote, everything hunting."

fatboy cushion, May 25, 2007

By bearfoot1 from Arizona

"Just got back from bear hunt in Canada, sat on stand for at least 5 hours at a time and my rear end never got sore at all. The snap belt , included make carrying a breeze. just snap it to your backpack and forget it till you need it. Best product Ive bought in long time, highly recommend."
